

## Useful Driving Notes for the Chicago, IL Training Facility

Office Address: 1011 E Touhy Avenue  
Suite 440  
Des Plaines, IL 60018

- Note that many of the interstates (or portions of them) are TOLL roads. (I-90, I-94, I-294)
- Our office is located within 5 miles of the entrance to O'Hare International Airport. (We are located immediately behind the airport itself.)
- There is a deli/restaurant located within this office building. Additional restaurants are nearby, but are not necessarily within walking distance.
- Take the elevators to the 4<sup>th</sup> floor and turn left. Our Suite is located near the end of the corridor and the door will be on the right.
- Our office is approximately 18 miles from downtown Chicago. If you want to visit the downtown area, you may want to consider using the local commuter train (CTA) since traffic is often very heavy heading into and out of Chicago. Link: <http://www.transitchicago.com/>
